4. **YINKA:** And as always, each week we treat you to another wonderful episode of our drama.
5. **BOSUN:** Yes o, Last time on our drama Lukman informs Iyabo about Abokede's intending introduction which made Iyabo very upset. So much that she went to see the babalawo again.
6. **YINKA:** I wonder what will happen this episode. Let's go find out
7. **CUE IN:** **FLUTE AND EWI TO INTRODUCE DRAMA**
8. **CUE IN:** **EPISODE 23 OF DRAMA FOR 12 MINUTES**
9. **YINKA:** Welcome back. The program is still Ireti Eda and I remain Yinkus and Da Boss is still right here with me. Bosun, I am happy o. It's like Oyemade and Folashade are really getting married too o
10. **BOSUN:** Yes o. Really happy for them. I feel for Ashake sha
11. **YINKA:** Well, that's life. But her own man will come. The same God that made Abokede find a man as honourable as Bello can make hers to come to pass too
12. **BOSUN:** Yes o. You are very correct. I wonder what will happen next episode. Remember you have to tune in to the program to find out
13. **YINKA:** Let's go on a short music break. Don't go away because when we return Aunty Adunni will be right here in the studio enlightening us about another FP method. Bosun, play something
14. **MUSIC BREAK: CUE IN MUSIC:**
15. **BOSUN:** That was Bibanke by Asa. I hope you enjoyed it

16. **YINKA:** I'm sure they did. The program is still ireti eda, part of the 'get it together campaign' and Da Boss and i are still here doing what we know how to do best
17. **BOSUN:** And of course we have aunty Adunni here also to tell us more about family planning. Let's give her a warm welcome
18. **FANFARE:** **SHEKERE OR EWI TO WELCOME AUNTY**
19. **YINKA:** Welcome to the program aunty Adunni
20. **ADUNNI:** Thanks a lot Yinkus. How are you today?
21. **YINKA:** Very well thank you. Aunty, for a couple of weeks now, you have educated us on different family planning methods
22. **ADUNNI:** Yes. I remember that we discussed injectables
23. **YINKA:** Yes. We've also discussed pills and implants
24. **BOSUN:** And also condoms.
25. **YINKA:** Yes. I know you will remember that one Bosun.
26. **BOSUN:** Ah Yinkus, of course now
27. **YINKA:** (**CHUCKLES**) So aunty Adunni, is there any other method we should know about?
28. **ADUNNI:** Yes. I don't think we've discussed IUD
29. **YINKA:** IUD? What's that? I heard Bisi Animashaun mention it in the drama
30. **ADUNNI:** It's another family planning method. Some people call it coil or loop
31. **YINKA:** oh! I've heard of coil.
32. **ADUNNI:** Yes, the technical name is IUD.
33. **YINKA:** oh ok. So how does coil work?
34. **ADUNNI:** The coil is placed inside the womb
35. **YINKA:** Inside the womb? How?
36. **ADUNNI:** It is placed at the mouth of the womb. It's job is to prevent the sperm from meeting the female egg
37. **YINKA:** Hmm. Wont that be painful?
38. **ADUNNI:** Painful ke? No o. It's not painful at all. But you know you can't do it yourself. A trained service provider has to do it for you
39. **YINKA:** This is really interesting. We have a text message here from Kikelomo. She wrote '*what are the side effects of using coil?*'
40. **ADUNNI:** Well, i wouldn't call it side effect. But a woman that uses coil may experience more menstrual flow. But don't be alarmed because it is normal. If you use coil and you discover this, just ask more questions from your service provider but it is nothing to be worried about.

41. **YINKA:** Here is another text message from Morenike. Her message reads '*For how long can the coil stay inside a woman's body?*'
42. **ADUNNI:** Well that depends on you. The coil can be there for as long as 10 years. But you can remove it anytime you want and fertility returns immediately
43. **YINKA:** That means when the woman is ready to have children again all she needs to do is remove the coil
44. **ADUNNI:** Exactly! But not by herself o. She will need to consult a service provider for that.
45. **BOSUN:** But can she still have sex while the coil is inside her?
46. **ADUNNI:** Of course. Why not? It doesn't hinder sex in anyway. All it hinders is pregnancy
47. **BOSUN:** Ah better o
48. **YINKA:** Hmm Bosun, asewo (flirt).
49. **BOSUN:** Ah Yinkus, ohun ton dun nil on pe loro eni o (it is that which pains a man that he will be more concerned with)
50. **YINKA:** So after a woman gives birth, can she use coil immediately?
51. **ADUNNI:** Of course. Even during breastfeeding.
52. **YINKA:** Wow. Thank you aunty Adunni for coming on the program. It is always a pleasure having you around
53. **BOSUN:** And there are always new things to learn whenever you are around. Thank you
54. **ADUNNI:** Thank you too.
55. **YINKA:** That is how far we can go with aunty Adunni today. Let us go on a quick music break and we'll be back to the segment where you get to win fabulous prizes
56. **MUSIC BREAK: CUE IN MUSIC**
57. **BOSUN:** Welcome back. The program is still ireti eda and that music was 'o fe se lu' by Fela Anikulapo Kuti
58. **YINKA:** Baba 70 himself. It is time for our quiz question for today. Who in today's program revealed that she has been using the IUD? Remember you can send your answers to via SMS and there are prizes to be won. Let me repeat the number for you all
...
