EPISODE 24 Sticking with FP

1. **MUSIC:** **THEME MUSIC AND FADES UNDER THE HOST'S VOICE**
2. **YINKA:** **(SINGING SOLEMNLY)** Ori mi oh! odi owo re oh tun se eee... aye mi oh odi owo re oh tun se eee... (my head o is in your care o Lord. Watch over me) ah! I welcome you to this week's edition of your radio program Ireti Eda, part of the 'get it together campaign, Yinka Owoyemi is my name, the one and only Iyalode of Yoruba airwaves. Thanks for joining us today..... **(PAUSES)**
3. **BOSUN:** Yinkus, shei ko si sha? (Hope there's no problem?)
4. **YINKA:** Bosun thank God you're here finally. Ah! A ni se ofo (we will not waste away o)
5. **BOSUN:** **(INTERJECTS)**... Iyalode what is the problem, what have you seen today that is making you say all these prayers ...
6. **YINKA:** **(SOBERLY)** Bosun I saw something today on my way here. In fact it was terrible. Can you imagine that a guy just went mad in the market just after buying meat from a meat seller?
7. **BOSUN:** **(EXCLAIMS)** Ah! Oluwa se anu fun wa. We shall not fall victims to our enemies. God will never forsake his people.
8. **YINKA:** Hmmmm... **(PAUSES)** You know that just reminds me of Iyabo in our drama and how wicked people can be.
9. **BOSUN:** I just hope she is not tampering with Abokede's wedding o
10. **YINKA:** Let's go and find out
11. **CUE IN:** **FLUTE AND EWI SONG TO INTRODUCE DRAMA**
12. **CUE IN:** **EPISODE 24 OF DRAMA FOR 12 MINUTES**
13. **BOSUN:** Welcome back o my people and the program is still ireti eda and I am right here in the studio with Yinkus
14. **YINKA:** I knew it that Iyabo would want to do something to stop Bello from getting married to Abokede. She's so shameless for being a cheap liar.
15. **BOSUN:** She's not just shameless in fact she's just so full of evil
16. **YINKA:** Abokede is such a nice girl. Imagine her even thinking of bringing gifts for Iyabo even after being treated badly.
17. **BOSUN:** Iyalode have you forgotten that it is only God that sees the heart of man and He alone will reward all our doings. And He also rewards evil. See what has happened to Alaba

18. **YINKA:** Yes o. I don't know why his eyes were always on married woman. Now he is dead.
19. **BOSUN:** Alaba has just wasted his life, even though he got what he deserves we still leave judgment to God. Abi iyalode
20. **YINKA:** You're right Bosun. **(PAUSES)**... My people, let's tune in same time next week for the continuation of our drama. **(PAUSES)** coming up next is our expert segment but before we begin talking with our expert let's take a short music. Stay with us.
21. **MUSIC BREAK: CUE IN MUSIC**
22. **YINKA:** Thanks for staying tuned to your favourite radio program Ireti Eda, that was the music of Danny Young, "oju ti won o". Yinka Owoyemi is still my name and I have my anchor man Bosun a.k.a Da Boss still very much with me in the studio. Up next is our expert segment and our guest is no longer new in the studio, as you all already know her, let's welcome aunty Adunni
23. **FANFARE: SOUNDS AND CLAPS TO CHEER AUNTY ADUNNI**
24. **YINKA:** **(HAPPILY)** Thanks for being with us
25. **ADUNNI:** **(LAUGHS)** I'm happy to be with you as always
26. **YINKA:** Aunty we have learnt so much about different family planning methods.
27. **ADUNNI:** That's true
28. **YINKA:** I believe a lot of our people have started using modern family planning methods. But aunty, I've seen a situation where a woman starts using FP and then quits, why is this so?
29. **ADUNNI:** that is called discontinuation.
30. **YINKA:** But why discontinue?
31. **BOSUN:** Many factors may be responsible. You know that some women don't have support of their family members or even their husbands sef
32. **YINKA:** That's true. And I hope they have learnt a lot from this program because we have discussed how husbands and in-laws can support family planning
33. **BOSUN:** But you know that some people stop FP because they don't get the commodities they need when they need it
34. **ADUNNI:** All that is being taken care of now especially with our 'get it together' campaign. Commodities are available everywhere. In the hospitals, pharmacies, or anywhere you see the get it together logo
35. **YINKA:** And a lot of people are concerned about side effects

36. **ADUNNI:** Well, that is why you should consult your service provider before choosing a method. You will be properly counselled on the choice of method and their likely effects. But FP is very safe.
37. **YINKA:** Yes. I use FP too and I have no issues. I actually don't think people should stop using FP except when they are ready to have children. Because what is the essence of starting and stopping if you are not ready?
38. **ADUNNI:** You are right Yinka. We should have children when we can cater to them and that takes commitment.
39. **BOSUN:** So aunty Adunni, what does that commitment entails?
40. **ADUNNI:** For example, those who are on pills have to take their pills every day. They can't afford to skip it or take it when they like. Those on injectables must go for their shots regularly
41. **BOSUN:** And I think this is where the issue of budgeting time and transport funds comes in. As you know, contraceptive methods are free at government clinics and hospitals. If you have planned for when you need to get more pills, or when you need to go for another injection, it won't be so hard when the time comes
42. **YINKA:** Then husbands should always ensure that the money is available
43. **ADUNNI:** (chuckles) Both partners have to be responsible and committed if they want FP to work. They have to talk about it, know their FP needs, and ensure that those commodities are always available. In fact there is nothing wrong with both of them going for counselling together. You know I always say that it takes two to tango
44. **YINKA:** We have a text message here from Adeseun. *'I am currently on the pills but I don't like taking drugs every day. I will like to change to another method. What should I do?'*
45. **ADUNNI:** Adeseun, go to your service provider immediately. You will be advised on the right method for you. Don't wait. It is important. You all have to remember that the essence of FP is for you to be able to have children when you want
46. **YINKA:** That's true. Instead of having unplanned pregnancy
47. **BOSUN:** Yes o. At least that way, you can continue to have a great sex life with your partner without always thinking of getting pregnant
48. **YINKA:** Yes now. And you will even live well sef.
49. **ADUNNI:** Yes. You can continue your education, do business, send your kids to the best schools anything! Because you have planned your life well
50. **YINKA:** Thank you so much aunty Adunni for coming today

51. **ADUNNI:** My pleasure
52. **YINKA:** So my people, if you've not started FP, start now. And if you've started, don't stop. Be committed. That's the only way you can enjoy it. Don't go anywhere. We'll be right back
53. **MUSIC BREAK: CUE IN MUSIC**
54. **YINKA:** Welcome people. The program is still ireti eda
55. **BOSUN:** And that was 'fi le be' by Jawon
56. **YINKA:** It is time for our quiz. Bosun what's the question?
57. **BOSUN:** 'Who in the drama mentioned today how she is committed to using FP because it makes her relationship with her husband stronger? You can send in your answer via SMS to this number Again the number is.....
58. **YINKA:** If you would like to know where you can access FP services, you can call or go to a clinic, chemist, pharmacy or drug seller with a sign that reads "Get it together" and has a blue, yellow and orange puzzle pieces logo.
59. **BOSUN:** You can also follow us on our facebook link at 'Get it together Ibadan/ Ilorin page
60. **YINKA:** That's how far we can go today. Until next week, remember to...
